Four Elements Design We went back to our stack of free glass shipping pallets from FabTek and started tearing them apart for lumber. In one day, we had taken apart all of the rest of the pallets and ended up with loads of 2x6s and 2x8s for our building. Then, we used old 4x4s from a reclaimed fence as our skids for the bottom frame of the building. The Four Elements of Design: Interiors Inspired By Earth ... From interior design icon Vicente Wolf, an inspirational guide for home decorators to designing unforgettable spaces based on the four natural elements. Based on Vicente Wolf's belief that the classical elements—earth, water, air, and fire—form the basic building blocks of great interior design, the book is divided into four sections. The Four Elements of Game Design: Part 1 While game design is a complex task, the process of designing a game does not have to be hard. There are some simple rules we should follow, and we can view these as the absolute fundamentals—the elements of game design.

The Four Basic Design Principles - NDSU Repetition: Repeat visual elements (colors, shapes, textures, spatial relationships, line thicknesses, fonts, sizes, graphic concepts, etc.) of the design throughout the piece. This develops organization and strengthens the unity. You can also think of repetition as consistency. The basic purpose of repetition is to unify and to add visual interest. four-elements-web-design.co.uk - Web Design, Branding ...
